### Friday Afternoon: Myra Savant Harris Seminar

Myra brings over 20 years of experience in labor, delivery and neonatal care of puppies. She is known for communicating in friendly, non-technical language that is easy to understand. She will cover many aspects of breeding to name just a few: how to prepare your young stud dog for breeding, how to tell when the bitch is ready to be bred, and what fetal monitoring can and can't tell you, whelping, C-sections and how to best help your bitch and her puppies through the entire process. Myra shares what equipment to have on hand, how to use it and when to use it to help each puppy survive and thrive. These are just a few of the topics/highlights that will be discussed. To visit Myra 's website go to: <http://www.myrasavantharris.com> Many people in our Silken community have had the opportunity to attend Myra 's seminars in the past . The feedback has been extremely positive. They have credited the things they learned with Myra to saving puppies lives in those critical moments and knowing what signs to watch for and how/when to respond. One attendee said "I listened for 4 hours and never checked my watch once! I learned so much. I learned about some best practices that apply to all-age dogs as well as puppies."

We hope you'll take advantage of this exciting opportunity to join Myra for what is certain to be a very valuable, informative and interesting seminar. This seminar is most certainly not just for the breeder or stud dog owner. There will be a \$10.00 fee to offset Myra's expenses.

### **Dog Show Classification**

#### **Regular Classes**

***The following classes will be provided for both dogs and bitches***

Puppy 6–9 month*	Puppy 9–12 month*
12–18 month	American Bred
Novice	Field Performance Champion ***
Bred-by-Exhibitor	Open
Winners**	Best of Breed****

\*Puppy classes (\$20/entry vs. \$25) are for those puppies that will be of age on the day of the show, not at the time of entry.

\*\* The winners class is for the Winners of the previous 8 classes to compete for Best Male and Female.

\*\*\* **Field Performance Champion Class** - Eligibility for this class requires proof of a championship title for straight racing (ISWS or LGRA), oval racing (ISWS or NOTRA), lure coursing (ISWS or ASFA) or open field coursing (NOFCA or other recognized open field coursing association) be submitted along with a show entry. This class is a Regular Class as the historic job of a sighthound is hunting and that ability should be recognized as an important part of our breed. As such, a dog from the Performance class is eligible to win points toward an ISWS Championship.

\*\*\*\* **Best of Breed** - ISWS Champions of Record, Winners Dog, Winners Bitch, and each Veteran Class Winner only, will be able to compete for Best of Breed.

#### **Non-Regular Classes involving Single Dog Entries for both dogs and bitches**

**Veterans** — Veterans 7-10 years, Veterans over 10 years

**Companion** — Open to all neutered and spayed dogs as well as intact dogs 6 months of age or older. Dogs and bitches will be judged separately and winners will not be eligible for Best of Breed judging. No championship points will be awarded. First place in each sex will compete for Best Companion.

#### **Non-Regular Classes Involving Multiple Dog Entries**

As the judge's decision in the following classes is based on the merits of more than one dog or bitch, no one of the dogs or bitches judged first in these classes will be eligible to compete for Best of Breed by virtue of having won in these classes. The Stud Dog or Brood Bitch must appear in the ring with the get or produce and be entered in the class. The owner of the Stud Dog or Brood Bitch does not need to be the owner of the get or produce. The award is based on the merits of the get or produce.

**Stud Dog Class**- For dogs that have sired two or more dogs or bitches entered in this show. Maximum 4 progeny.

**Brood Bitch Class**- For bitches that have whelped two or more dogs or bitches entered in this show. Maximum 4 progeny.

**Brace** — Is defined as two dogs of the same breed that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs must be owned by the same owner. Entries in this class must be intact (no spayed or neutered animals). Entries in the Brace class do not have to be entered in any regular class. The entry is not required to be composed of the same sex dogs. Class shall be judged on 40% conformation, 40% matching looks, and 20% difficulty of the match.

#### **Additional Awards**

**Award Of Merit** — The AOM will be given at the discretion of the judge immediately after the selection of Best of Breed, Best of Winners, and Best of Opposite Sex,. The number of Awards of Merit will be determined by the total entry at the show.

**Best Veteran** — Will be selected from the Veteran class winners following the Awards of Merit. If Best of Breed is from the Veteran class, it is automatically Best Veteran in Show.

**Best Bred-by Exhibitor** — Will be selected from the Bred-by-Exhibitor class winners following Best Veteran.

**Best Puppy in Regular Classes** — Will be selected from the Regular Puppy Class winners following the judging of Best Bred-by Exhibitor competition. Only dogs not defeated in a Puppy Class are eligible to compete. If the winner of a class is not present for judging of Best Puppy, the 2nd place in the class may not take its place. If Best of Winners or Best of Breed is from the Puppy Class, it is automatically the Best Puppy in Regular Classes.

**Best Companion** — Will be selected from the Companion Class winners following Best Puppy competition.

## Versatility

A versatility rosette is offered for the dog scoring the highest across the three venues of obedience or rally (designate which one you want to be used for versatility before judging starts), lure coursing and conformation. It is necessary to be entered in three events to be in contention for the award. In obedience, or rally-obedience, and lure coursing the individual scores of the dogs are added. For conformation a separate class for versatility is judged with different armbands, and all versatility dogs are judged together in this additional class. The raw score will be given by the judge, based on the breed standard having a perfect score of 100, and the dogs are ranked according to the raw score received.

### ***ASFA LURE COURSING WILL HAVE A SEPARATE PREMIUM LIST.***

It will be posted in the files section of the Windhounds and ISWS Lists. The Lure Coursing premium will also be posted to the ASFA Region 1 calendar, the ASFA site, and on the events page of the ISWS Lure Coursing website as soon as it is approved by ASFA.

This will be the first year we will run as a fully approved breed! At this year's ACoD (Annual Convention of Delegates) Silkens were voted in. We will have lots to celebrate at SilkenFest... especially the people who helped make this happen.

We also have great taste in Judges! At ACoD both our judges were awarded the Gary Forrester award. From the ASFA newsletter:

Each year ASFA presents an award to an individual who best demonstrates the kind of extraordinary contributions and dedication to the advancement of lure coursing and the ASFA as exemplified by the award's namesake. In a rare move, the committee awarded this high honor to two legendary and worthy contributors:

- Jill Bryson
- Ann Chamberlain
