Indication must be made on the dog's Entry Form that it is entering this competition.

ALLAGANTE WINDSPIRIT BARBADOS MEMORIAL TROPHY

Starting in 2014 the Allagante Windspirit Barbados Memorial Trophy has been awarded at SilkenFest to a Silken Windhound that excels both in Lure Coursing & in Conformation. This Trophy was inspired by & named

for “Bados”, formally known as ISWS CH, ICKC Int’l CH, UKC GrCh Allagante Windspirit Barbados ISWS FCh, LCM, SRC, ORC, ASFA FCh, who died in a tragic accident while lure coursing.

In many hounds & other working breeds, one can see a marked difference in the appearance of conformation champions and ‘field’ dogs. Sharp divisions arise among breed fanciers over which ‘type’ is correct. In some cases breed features have become so exaggerated that the fitness of the ‘show’ dogs is brought into question. Perhaps because Silken Windhounds are a young breed, this distinction is not yet seen. This combination of excellence in conformation & performance is a strength of the Silken Windhound. Many Silkens have earned titles in both conformation & performance. This confluence of form & function is important & should be a standard we strive to maintain. In light of this the Allagante Windspirit Barbados Memorial Trophy will honor such dogs.

In general, this trophy will be for the ISWS Champion that is ranked highest with ASFA in the preceding year. To include all Silkens competing within ASFA, Silkens competing in the Singles Stakes & Altered Silkens will also be eligible. To accommodate Altered dogs, a UKC Altered Grand Championship is acceptable in place of an ISWS Ch as prior to this year, there were no ISWS titles for altered dogs.

The ISWS Ch or UKC ALGrCh must be earned by the end of the calendar year of the ASFA ranking. To accommodate Silkens that run in the Singles Stakes, ASFA placement will be based on Bowens points earned, not simply breed ranking. Potential winners must appear on either the ASFA breed or Singles Top 20 list. If no ISWS Ch, ISWS ALCh, or UKC ALGrCh makes the ASFA top 20 lists (Silken or Singles), the top ranked European lure coursers that are ISWS Champions will be considered.* If no Silken meets these criteria, the trophy will not be awarded that year.

Each year’s winner will be announced at the awards banquet. The winner will keep the trophy until the next SilkenFest when it shall be given to the subsequent winner.** In exchange, the prior year’s winner will get an award plaque When the Trophy is ultimately retired, it will go to Allagante Windspirit Barbados’ kennel, InPhenite.***

*This criteria for LC excellence may be modified in the future if a good mechanism for contrasting European rankings & ASFA rankings is determined

** If the winner does not want to take responsibility for the Trophy, it will reside at InPhenite until the next year.

*** Upon its retirement, if InPhenite cannot take the Trophy, the trophy will be given to the Lifetime Top Silken as long as that dog is an ISWS CH or UKC Altered CH

“TOP TEN” ROLL CALL

In addition to the Allagante Windspirit Barbados Memorial Trophy, certificates for the Top Ten dogs in UKC Conformation, ASFA Lure Coursing, LGRA Straight Racing, NOTRA Oval/Uval Racing and NOFCA Open Field Coursing will be presented at Saturday’s banquet.

In some instances, there may not be ten top Silken Windhounds within a venue. At this time UKC does not maintain and track top ten standings for altered dogs, thus, we are unable to award Top Ten certificates to those altered dogs actively participating in UKC conformation. Hopefully, by SilkenFest 2018, UKC will have implemented a Top Ten program for altered.

We will also be presenting rosettes to those dogs who earn **new titles** during their SilkenFest adventures!

ISWS BREED STANDARD

Amended December 2005

GENERAL APPEARANCE -- The Silken Windhound is an elegant, small to medium-sized sighthound with a moderately long silky coat. Its classic lines and athletic build are the hallmark of a true coursing dog. When viewing a Silken Windhound, one has the impression of grace, balance, and strength integrated with exceptional running ability.

SIZE, PROPORTION, SUBSTANCE -- The accepted measurements for Silken Windhounds are 18.5 - 23.5 inches (47-60 cm) at the withers. Dogs over or under the ideal shall be penalized to the extent of the deviation. In proportion, Silken Windhounds are approximately square or slightly rectangular. Silkens that are excessively longer or shorter than they are tall should be penalized according to the extent of the deviation.

The build of the Silken Windhound is sleek, through a balanced combination of fine bladed bone and smooth muscle, and never looks frail. Heavy, round, or coarse bone is faulty.

HEAD -- The Silken Windhound's expression is alert, friendly, and intelligent. Eyes are rather large and dark, almond-shaped and set somewhat obliquely. Pigment around eyes is full and dark. Ears are small and fine in texture, folded and lying back along the neck when in repose. When alert, ears may be prick or semi-prick. Hanging, or drooping, houndy ears are undesirable. Moderately long in head, the Silken Windhound has a fairly narrow back skull which, when viewed from above, tapers gradually through a full muzzle to the nose. The muzzle is in good balance to the skull. When viewed from the side, the top plane of the muzzle is parallel to the plane of the flat skull, with a barely perceptible stop between.

The head is well chiseled, skin dry and tight, with noticeable veining. The nose is dark, and may be slightly down-turned at end. Lips and flews are tight, in keeping with the dry head. Pigment on lips is full and dark. Jaws are strong to accommodate the teeth, which are large for a dog of this size, with full dentition and scissors bite. Missing teeth should be penalized.

NECK, TOPLINE, BODY -- The neck is long and slender. It is slightly arched, well-muscled and powerful, never ewe necked. The neck is free from dewlap or throatiness, widening gradually and symmetrically into the shoulder. The topline rises gradually from slightly behind the withers, with the highest point of the arch being over the last rib, flowing smoothly over the muscular loin, carrying through and falling gradually over the long croup.

The back is short and the loin moderately long, wide, muscular and arched. It is important that the loin be flexible to sustain and drive the double suspension gallop, which Silkens exhibit when running at top speed. A flat back with steep croup is not a loin arch and should be faulted. The chest is deep with moderate spring of rib. A barrel shaped or slab sided body is faulty. The brisket reaches as nearly as possible to the elbow, with a graceful upsweep to the tuck-up; this creates the distinctive underline of the Silken Windhound.

The tail is long and flexible, falling in a sweeping curve, free of kinks and reaching past the hock. When carried the tail should not rise above the back. A tightly curled or gay tail is faulty.

FOREQUARTERS -- The shoulder blades are well laid back and are long and smooth with flat muscle. Fine withers are preferred. Good return of upper arm is desirable, bringing the legs well under the withers. Elbows turn neither in nor out. The forelegs are straight and strong, with pasterns straight or slightly bent, but never knuckled over. Dewclaws on front legs are acceptable. The feet are well knuckled with tough, thick pads. Both the hare foot, with its longer middle toes; and the cat foot, with its shorter middle toes, is acceptable. Hare foot is preferred. Nails are strong and of moderate length.

HINDQUARTERS -- Hindquarters are well angulated, with a long second thigh and well developed thigh muscles. Viewed from the rear, the hindquarters are slightly wider than the front, well-muscled, without any

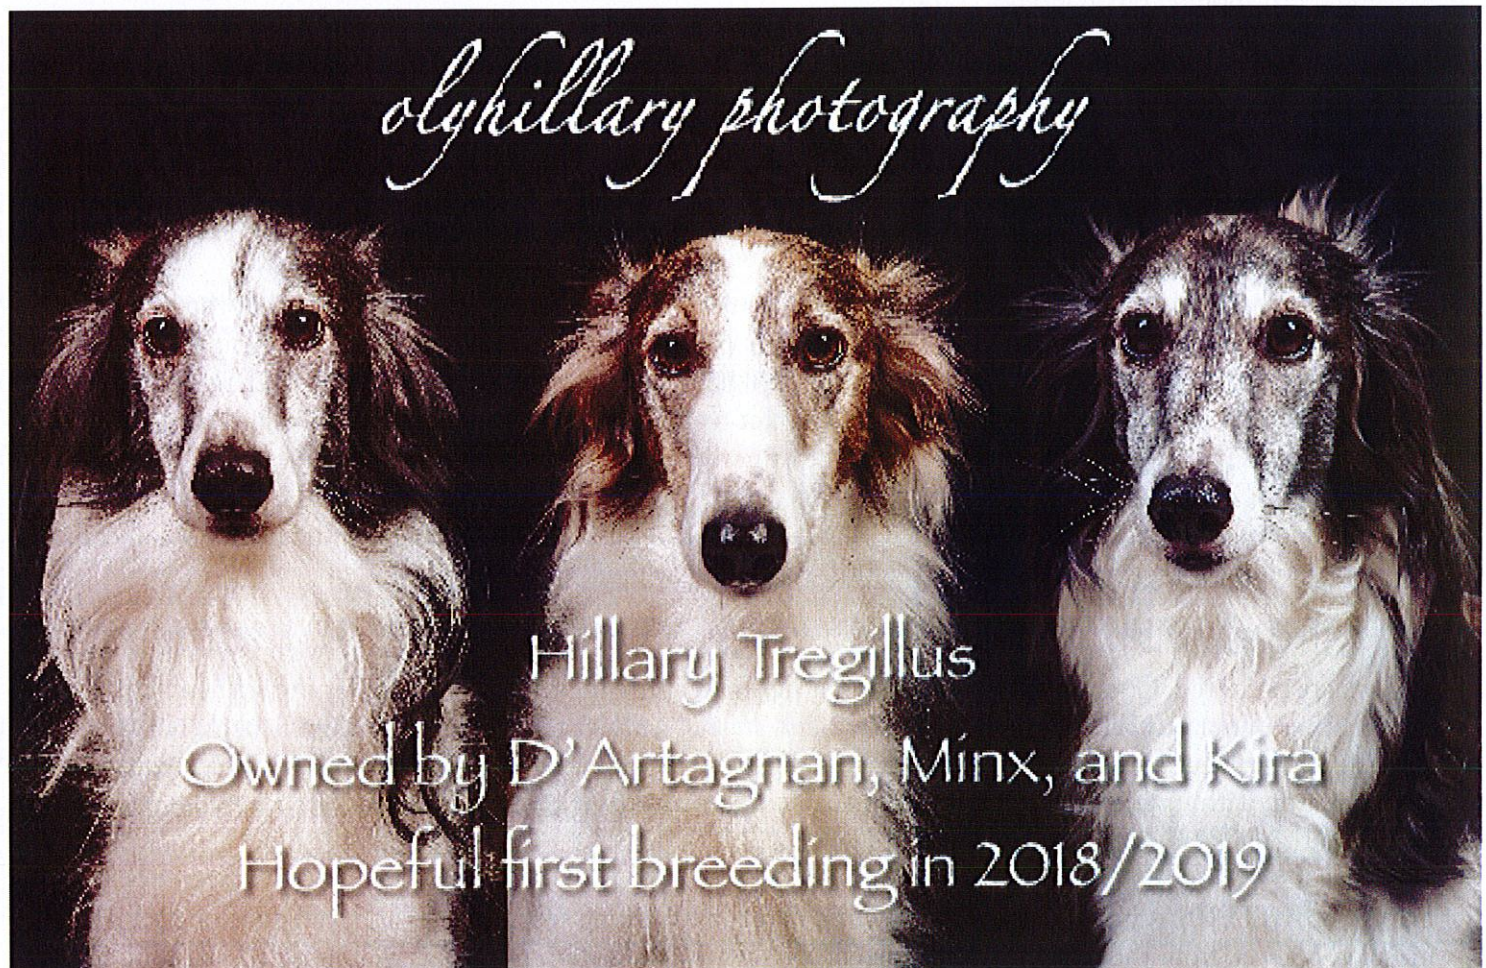

suggestion of cow hocks. Stifles are well bent, and hock joints broad and strong. Hocks are short. Rear dewclaws may be removed. The feet are well knuckled with tough, thick pads. Both the hare foot, with its longer middle toes; and the cat foot, with its shorter middle toes, is acceptable. Hare foot is preferred. Nails are strong and of moderate length.

COAT -- The coat is soft, and silky in texture. In no case should the coat be wooly or profuse enough to obscure the outline of the Silken Windhound, nor so long as to interfere with the function of a coursing hound. The coat may be straight, slightly wavy, or curly. There is longer feathering along the back of forelegs, the brisket, hindquarters, around the neck, and tail. Coat on the face, feet, front of forelegs and hocks are naturally short. Feathering that frames the ears and face adds to the dogs expression, and should not be trimmed. The Silken Windhound is shown in a natural coat with minimal trimming.

COLOR, MARKINGS -- All colors and markings are acceptable.

GAIT -- The Silken Windhound moves with a smooth effortless trot, which has good reach in front and good drive from the hind quarters. Restricted or wasted motion of the legs or body, when viewed from the side, is faulty. Paddling, hackneyed gait, toeing in, and toeing out are faults in front movement. The hocks should not roll in or out when rear movement is viewed. While the hind legs are wider apart than the front, the feet, both front and rear, seek a center of balance closer to the centerline when the dog moves at a fast trot. Movement which is too wide, or too narrow, or which does not converge towards a centerline, is faulty.

TEMPERAMENT -- The Silken Windhound is an intelligent hound of balanced character. While this breed exhibits strong prey drive in the field, they are gentle, affectionate, devoted companion animals in the home. An unwarranted show of timidity or nervousness, or any sign of hostility towards people or dogs, should be penalized.

Eligible Hounds: Only purebred Silken Windhounds are eligible to participate in this meet. All Silken Windhounds must be registered with LGRA and at least one year of age to enter this meet. Registering your hounds with LGRA prior to the meet is encouraged and greatly appreciated. To register your dog with LGRA, visit the LGRA website at Forms/LGRA and then chose the LRNApp.doc. You may register your dog at the meet, but this is discouraged as it adds to the day of meet work load. To do so, the form must be completely filled out, a copy of your dog's UKC registration papers and a check payable to LGRA for \$2 needs to be provided to the meet secretary. Every attempt to qualify and practice your dog **BEFORE** SilkenFest should be utilized, practicing builds confidence and experience.

Pre-entries: First Dog: \$12.00, Additional Dogs: \$10.00, Family Plan 4 or more Dogs: \$40.00, Veteran (6 yrs. And older): \$ 6.00
After pre-entry closing/Day of Meet, per dog: \$15.00 (No multiple dog discount)

Day of Race Information: Any hound not present at roll call will be marked absent and the entry fee will not be refunded. In the event a hound does not pass inspection because of lameness or signs of being "in season," the entry fee will be refunded. All owners must be present for the owners meeting held prior to the start of racing. All FTE hounds must pass a qualifying run prior to roll call. Although we will try to qualify hounds prior to roll call, we cannot guarantee that time will allow for more than a few qualifying runs. For that reason, please make every effort to qualify your hounds **BEFORE** SilkenFest. There is no charge for a qualifying run, but you are responsible for providing a qualified dog of similar speed and running style to run with the dog you wish to qualify. Hounds

qualified for National Oval Track Racing Association (NOTRA) meets are considered already qualified for LGRA. Qualifying runs can be held at practice races or before an Official Meet. ***This meet will be boxed, and all hounds will run muzzled and jacketed.***

Registration: No entries will be taken after 9:00 a.m. the morning of the race. Inspection & check in 9:00 a.m. sharp. Draw: 9:00 a.m. Owners meeting at 9:30 a.m. All qualifying runs must be registered with the race secretary no later than 9:00 a.m. on the day of the meet. Only a limited amount of qualifying runs will be permitted due to time so it will be on a first come basis. Qualifying runs will begin when the course is set and the lure operator and judges are available. Racing will begin once the Board is set.

Practice Runs: Practice runs between programs will be held as time and manpower permit. Practice runs are \$2 per dog for non-ISWS members and FREE for ISWS members. All owners, whether entered in the race or practicing dogs, are required to sign a waiver. We will run as many practice runs as possible as we are committed to providing racing experience to new hounds and people wishing to participate, however, if we have equipment problems, weather issues, etc., the running of the official meet is the first priority.

DIRECTIONS: (57S to 91E to 55S) Exit the NEWPORT FREEWAY (#55) at KATELLA AVENUE. (If you want to stop off at a store on the way, take the next exit at Chapman Avenue and the rest of the directions are the same.) Drive East approximately 5 miles to JAMBOREE. Turn left onto JAMBOREE. The street ends at the park entrance. The racing area is located not far from the park entrance. Turn left after you pay admission. You will pass a parking lot on your left and then come to a parking lot on your right. This is where we set up. The racing area is on your left.

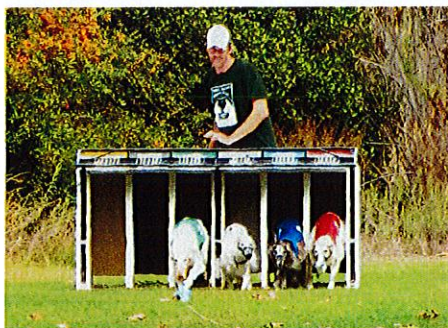

This is also a great place, with many amenities, to spend the day. The park is open 7 AM to 9 PM and the admission during the week is \$3. The Orange Co. Zoo is also at this park, horse rentals, bike rentals, etc. More park info: <http://www.irvineparkrailroad.com>.

WildRose Silken Windhounds

I dove headfirst into Silken Windhounds 6 years ago. My first dog was chosen as a loving companion and hiking buddy, and a year later my second dog helped introduce me to the world of racing and lure coursing. We laughingly say that "It's all Rosie's Fault"! Rosie had a lot of success in racing and lure coursing, including being in the top 4 Silkens in the country each of the last several years. Both she and Buttercup have helped train me in the show ring, too, earning UKC Alt'd Championships along the way.

All of this whetted my appetite for more, and I have two beautiful young dogs that are going to be the foundation of my future breeding plans. UKC GrCh Allagante InPhenite Axl Rose and his sister UKC GrCh Allagante Moondance WildRose have been very successful in the show ring. This spring they have leaped into their performance career, and are currently ranked #1 and #3 in the ASFA top 20.

My goal as a Silken Windhound breeder is to have dogs that excel in both conformation and performance events. I strongly believe that we should continue to promote the all-around dog, along with dogs that excel at the most important job they have - being a beloved family member.

Allagante Silkens

Allagante Silkens, is located nestled in the foothills of Mt. Hood right outside of Portland, Oregon on 21 acres. Plenty of room to run for our gorgeous Silkens and to hang out and grace our home and lives with their elegance, beauty, and athleticism that you would expect from any true sighthound.

At Allagante, we work hard to raise some of the finest conformation and racing and coursing dogs in the world. But we also realize many of our pups may never make it to the show ring and live out their lives as as loving family pets so with this in mind we mix show and racing qualities with "house pet" loving temperaments, good health and a rainbow of colors to include in our breeding goals.

Our goals and sights at Allagante are high, but simple. "Champions producing Champions" is a phrase by which we breed, and our personal goal is to continue raising the standard for the breed over the years to come and be the

benchmark which all others are judged by. Our Apache was the first Silken to ever achieve the title of ISWS Grand Champion and set the tone for all our other dogs.

Allagante Silkens have achieved many titles and wins through the years, repeatably being the #1 ASFA Silken Courser and #1 NOTRA racer along with winning the National SilkenFest conformation speciality multiple times. Our dogs can do it all and look gorgeous while doing it.

Our Silkens are a life-long commitment to us and we love and are extremely proud of each and every one of them. We love to show off our beloved family members so please check them out along with our future plans at our website.
