

INTERNATIONAL SILKEN WINDHOUND SOCIETY

**ISWS SANCTIONED CONFORMATION SPECIALTY SHOW APPLICATION**

All forms must be completed and submitted to the ISWS Corresponding Secretary not less than ninety (90) days prior to the event. As a rule of thumb, a maximum of three shows in a twelve-month period are permitted in one region. An application submitted by a club or individual will not be approved by the ISWS Board of Directors if the proposed show date conflicts with previously approved ISWS Specialty scheduled on that date or dates.

**NOTE!** Specialty fees and proof of an umbrella or event insurance policy for a club or individual must accompany this application. If an existing insurance policy is due for renewal before the event, proof of renewal must be provided to the ISWS BoD. If no proof of renewal is provided, the proposed Specialty will not be sanctioned.
