## MORE INFO REGARDING OLYMPIC HOUND COMPETITIONS

The dog's best scores across the venues will be tabulated. A dog entering the triathlon may enter both straight racing & ovals. The best three scores will be used. The same for the pentathlon, the dog's best five scores will be used in the calculations. There are six competition options.

The "National Specialty" conformation process will be determined in a separate judging class and does not require an entry fee. Example: All dogs entered in an Olympic Hound competition will enter the ring together and the conformation judge will assign number placements for each dog with #1 being the closest to the breed standard and continuing until all dogs have been ranked with a number. Please note that since this the dogs entered in this selection process will be in the ring with others that may not have been in the ring at the same time previously, their prior placements, whether in the Sweepstakes or National Specialty have no bearing on the placements in this selection.

In the event of a tie in any of the Olympic Hound competitions, each of those hounds will have earned the distinction and both will receive the recognition and award. In the event that the necessary additional awards are not available on site, they will be shipped to the hound's owner.

## ISWS ANNUAL MEETING

The annual meeting of the ISWS Membership will be in the State Room upstairs from the Forest Ballroom following the conclusion of the Specialty Show on Saturday, September 18<sup>th</sup> or at 4 p.m., whichever comes first. Committee reports and the meeting agenda will be provided to all members prior to the meeting so questions and input can be directed to the Board of Directors.
