Running Order Saturday: Coursing Test, Regular Stakes

Running Order Sunday: Coursing Test

Guidelines for those who are new to UKC Lure Coursing:

COURSING TEST:

The UKC Coursing Test (CT) is an instinct test that is run on a pass/fail basis. For those who are familiar with AKC lure coursing, the CT is like a combination of the JC and QC. In order to earn the CT title, a dog must pass three (3) CT runs; at least one of the three runs must be completed running alone, and at least one of the three runs must be completed running against another dog. The third run can be completed either running alone or running with another dog. Upon completion of all three CT runs, the dog will earn the Coursing Tested title, which also makes it eligible to compete in UKC lure coursing trials (assuming that they do not have another title that would exempt them from this requirement – see below). Each CT test offers the dog two (2) opportunities to earn qualifying legs (out of the three required). So in theory, if your dog is entered in both of the Coursing Tests offered at Boofest, he/she could potentially go home with the CT title if they pass all of their runs.

REGULAR STAKES (i.e. Lure Coursing Trial):

A UKC lure coursing trial is referred to as the Regular Stakes. Regular Stakes are run in a brace elimination format, with the winners of each course determined by category scoring. To be eligible for the Regular Stakes, your dog must EITHER have earned the Coursing Tested (CT) title (described above); OR have earned a racing or coursing title from another approved organization (See list below). Proof of this title in the form of a photocopy of the title certificate must be included with the first entry at a UKC lure coursing trial.

APPROVED TITLES FOR ENTRY IN THE REGULAR STAKES:

The following titles will exempt a dog from the CT requirement to enter the regular stakes. Proof of this title in the form of a photocopy of the title certificate must be included with the first entry at a UKC Lure Coursing Trial.

- Canadian Kennel Club: FCh, NC (Novice Courser)
- American Kennel Club: FC, SC
- American Sighthound Field Association: FCh, LCM
- Large Gazehound Racing Association: GRC
- National Oval Track Racing Association: ORC, OTR, SOR
- Canadian Amateur Racing Association: ORM, SRM, RChS, RChO
- Whippet Racing Association: CR, WRCH
- North American Whippet Racing Association: RCH, SR
- National Open Field Coursing Association: CC, CM
- International Silken Windhound Society: ISWS FCh

EQUIPMENT:

A battery powered, continuous loop system with back-up equipment will be used. The Field Committee reserves the right to switch to a drag loop system if weather or field conditions so require it. The lure will be white or colored plastic streamers and/or fur. The course plan will be reversed as each bracket advances.

AWARDS:

Stake winners will receive a blue ribbon; Runners-Up a red ribbon; Breed Leaders a purple ribbon; Qualifying CT runs earn a light blue ribbon.
