## SILKEN WINDHOUNDS

### *Great Plains Silken Windhounds*

*Presents a Silken Windhound educational and competition extravaganza!*

Thank you to the Mid-Del-Tinker Kennel Club and the Lawton Dog Fanciers for hosting us at the Oklahoma Summer Classic this year!

**Silken Windhounds** are a medium sized sight hound known for their friendly dispositions and make excellent family pets. They are happiest when sharing family activities, are easily trainable, and eager to please. Like other sighthounds, Silken Windhounds need room to run and daily exercise, but they are normally quiet and well-behaved in the house. They require little grooming and are naturally clean and tidy.

**Silken Windhounds** arrived as a breed in 1985. In 1998 the name Silken Windhound was officially adopted. The breed is fortunate to still have the founder (Francie Stull – Kristull Kennels, Austin, Tx) with us today.

**Silken Windhounds** are now found throughout the United States as well as Austria, Commonwealth of the Bahamas, Canada, Finland, Germany, Italy, Mexico, Japan, Slovenia, Sweden, Switzerland, The Netherlands, New Zealand, Norway, United Arab Emirates, United Kingdom and Union of South Africa. Efforts are being made to introduce the silken windhound to Australia as well.

## **FUTURITY**

The ATFTC National Specialty Show Futurity shall be held before the American Toy Fox Terrier National Specialty Show and Sweepstakes. Should the ATFTC Specialty not be held within the time limits applying to the Futurity Rules, the Board of Directors shall decide the disposition of the monies accrued toward the Futurity Stake. **The Futurity Stake is open only to breeders who are active members, in good standing, of the American Toy Fox Terrier Club. The Futurity Stake entries are only eligible by nomination of the litter.** The get from this litter are eligible to compete in the first annual Futurity Stake held on or after the date they reach six months of age, and only in this stake. The bitch whose litter is nominated must be owned (or leased) in whole or part by a ATFTC member. Thus, if a bitch is co-owned or leased by two people, at least one must be a ATFTC member. This requirement does not apply to the owners of the puppies from the nominated litter.

### **NOMINATION DEADLINES**

The nomination of the bitch's litter must be made after she is bred, but before the whelping date. Nominations are non-transferable, and may not be assigned to another bitch in the event of a non-litter. The nomination of each individual puppy must be made after it is whelped, but before it is four months old.

### **PROCEDURE FOR NOMINATING LITTERS**

Any active ATFTC member in good standing may nominate a litter for the Futurity. The nomination must be made on an official Futurity entry form which can be obtained by writing to the Futurity Chairman. Said litter nomination must be made prior to the whelping of the litter. The determination date for timely nominations shall be the postmark on the envelope, which must be dated no later than midnight the day prior to the whelping of the litter. The breeder shall be supplied with a confirmation of nomination of the litter. A form shall be provided to the breeder for the purpose of notifying the Futurity Chairman of the whelping date, number and sex division in the litter nominated. This form must be returned within one month of the whelping date.

The nomination of a litter qualifies any of the litter for entry in the Futurity Stake, regardless of the ownership of the individual puppy when entered or shown. All nominations must be made before the puppy to be shown in the Futurity reaches four months of age, on an official Puppy Nomination form which can be obtained by writing the Futurity Chairman. If the breeder wishes to nominate all puppies in the litter individually, this may be done at any time after the date the litter is whelped but before it is four months old. In such cases, fees for all puppies in the litter must be paid and nomination forms sent to the Futurity Chairman. If neither the AKC litter number, nor the individual registration number, has been received by the breeder at the time each puppy nomination is made, this information must be forwarded to the Futurity Chairman immediately upon receipt. If ownership changes after individual puppy nomination is made, the Futurity Chairman must be provided with correct information regarding (a) name of puppy; (b) registration number; (c) color; (d) sex, and (e) new owners name and address. If this information has not been received by the Futurity Chairman at least one month prior to the date of the Futurity, the dog in question shall be disqualified. The same rule shall apply to the change of the dog's name if such occurs at the time of registration.

### **ELIGIBILITY**

The Toy Fox Terrier must be entered in one of the regular classes at the ATFTC Specialty Show, if the Futurity is held in conjunction with the Specialty Show. If the Futurity is held in conjunction with an All Breed show, the dog must be entered in one of the regular classes at the show. When completing the entry form, the fact that the dog is to be shown in the Futurity must be indicated on the entry form. The entry fee for the Futurity class is an additional fee. This fee should be included with the regular entry fee for the class at the show. No Toy Fox Terrier will be eligible to compete in the Futurity which does not meet the following requirements: 1. Be from a litter which was nominated in a proper and timely fashion. 2. Have been individually nominated before it reached the age of four months, and; 3. Be properly entered in one of the regular classes at the show. 4. "Futurity Stakes" is to be written in as an extra class on entry form.

**NON-MEMBERS** Persons who are not a member of the American Toy Fox Terrier Club who wish to nominate litters for the Futurity may submit an application for membership with the nomination form for the litters nomination. In the event that the application for membership is accepted by the

ATFTC, the nomination will be dated as valid according to the date received. If the application for membership in the ATFTC is not accepted, the nomination of the litter will be null and void, the nomination fee and membership dues will not be refunded. The Board of Directors of the ATFTC shall decide any dispute that should arise pursuant to this Futurity Stake at its earliest convenience.

**LAPSING OF DUES** Any member who, having nominated a litter fails to remain an active member in good standing with the ATFTC by lapsing of dues, or indebtedness to the club, or by suspension or expulsion, and has not been reinstated 30 days prior to the Futurity, shall lose all rights in the Futurity. Dogs nominated by the lapsed or suspended individual but transferred to the ownership of another individual prior to lapse of dues, suspension or expulsion, or indebtedness may be shown as eligible. Monetary awards will be made in such instances only to the owner of the individual dog pursuant to Futurity prize rules.

### **CLASSES**

The following classes will be provided for both dogs and bitches.

6 Mos & Under 9 Mos • 9 Mos & Under 12 Mos • 12 Mos & Under 18 Mos

Winners of each of these classes will compete for Best Futurity and

# AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
